

## **The Eastern Masters Regional Championships are COMING!**

Stratton Mountain, Jan. 24 – 27, 2019

Steeped in masters ski racing history, Stratton Mountain will be hosting the Eastern Masters Regional Championships from Jan. 24 - 27. The January dates are earlier than past Championships events, but when a site such as Stratton is available for a four race series, masters are eager to take advantage. Racers can expect an experienced race organization, impeccable snow conditions, and one of the sweetest race hills in the East. As has been the case in the past, a full social schedule of awards parties will be offered with goodie bags for all, class prizes, special secret awards for podium winners, and raffles.

The race series kicks off with an optional day of SG training on Thursday, Jan. 24. Racers will take a sectional run and then head to the top start for two runs of the “full monty.”

Race day is Friday with two SGs on the schedule. Both will count for Sise Sup points and National Speed Series Scoring. The first race will count for Eastern Regional Team scoring.

Saturday brings the 48th running of the Janeway Cup, the oldest masters race remaining on the circuit. Donated by Senator Ed Janeway in 1970, the trophy is presented to the fastest racer over 40. It’s the real deal – top to bottom, rolls, dips, fall-a-ways, and aching quads.

Slalom concludes the series. Fairly moderate terrain, encourages sets that are open and fast; a fitting conclusion to the Championship series.

Jan. 24 SG Training	\$50
Jan. 25 Alois Lechner Memorial SGs	\$90 for both; \$70 for first race only
Awards party: 3 – 5 Mulligans	
Jan. 26 Janeway Cup GS	\$65
