Series Scoring

The National Speed Series awards are based on total points accumulated across all races in the series using the “Old World Cup” points scoring system. Age class awards are given to the top three finishers in each age class of the season-long series. Competitors must have at least three starts to be eligible for series awards.

The overall Speed Series champions trophies are awarded to the overall fastest racer in each of three groups, based on the total points in all races of the series:

- Group A/B (men age 18-64)
- Group D (men age 65+)
- Group C (all women)
