Tiebreaker Notes

Ties between competitors are decided by best result (best result, then next best, until broken; if finish records are equal in all races then race points are used as the final tiebreaker criteria).

There were no ties in the group D men's classes at the 2007 Western Region Championships.

***** Eligibility Notes***

Class M08 combined was won by Pepi Neubauer (EA) with 70 points (2-1-1 finishes). However, 2nd place Bob Sarchett (IM) is the regional champion because competitors must be from a division in the region to be named to the regional champions team. The only exception is Central division, whose competitors are eligible in both the Eastern and Western Region championships due to the absence of a separate Central regional championship event.
