**NOTE:** Due to the global coronavirus emergency, the national championship DH and SG races scheduled at Ski Cooper and Steamboat in March were cancelled, along with the planned series finals at Mt Bachelor in April.

*(\*) With 1/3 of the planned NSS races cancelled, many classes would not have met the three-race minimum starts eligibility rule for series awards. Given these unprecedented circumstances, the Division Chairs voted unanimously to adjust the eligibility rule for 2020 as follows: Racers who met the three-race eligibility rule were scored first for both class and overall finish places. Racers with two starts were then added to complete the series awards finish order for both class and overall positions.*
