

US Alpine Masters 2022 Phillips 66 Western Region Championships Regional Champions Team (Men)

The US Alpine Masters Regional Champions team is selected from the competitors in each class with the greatest total of World Cup points from their finishes in all 5 events of the championship. The 2022 Western Region Championships were hosted by Rocky Mountain division at Beaver Creek, CO on Feb. 4-6, 2022.

Note: the 2022 Western Region Championships were held as a joint event with the FIS Masters Cup races. Following FIS rules, the men's classes are organized into Group A (18-59) and Group B (60-90+) rather than the 3 groups A/B/D used to organize US masters competitions.

Eligibility: Competitors must have a current US Ski & Snowboard masters competitor membership to be eligible for the regional class champion awards. Short-term memberships are not eligible for participation in regional or national championships.

There were no ties in the overall combined standings for regional champion in the men's classes at the 2022 Western Region Championships.

FIS athletes from other nations who do not have a US masters membership for US races are not eligible for US awards (M07 winner Daniel Boeckli - SUI; M05 winner Yves Blohorn - FRA). M03 winner Bastien Martini has a French FIS license but competes in the US in Eastern division.
