

Age Class Combined - classes 12+ (age 80+)

New in 2026, we award age class combined in classes 12+ (age 80+) with additional rule that if the top 3 positions are not filled by competitors with finishes in all 3 events SG-GS-SL, we award combined trophies with competitors with 2 finishes, with ranking based on race points in the races both completed.

In the 2026 Mammoth National Championships, we have two classes where we recognize additional combined awards of 80+ racers with 2 finishes.
